## ★ GOOD NEWS ★

### International Women's Day

To celebrate International Women's Day, the whole school enjoyed a day of activities to inspire and motivate. The students learned about our house patrons, as well as being involved in 'Strike a Pose' #embraceequity, 'This Girl Can', and a football session from a qualified coach from the FA. We also welcomed two female guest speakers with inspirational careers.

### Green Futures Careers Event

A group of students attended Wren Davis Farm for a morning of farming and outdoor learning. They walked around the site, met the livestock and learnt about what goes into being a farmer!
