★ GOOD NEWS ★

Garsington Opera

A group of our students enjoyed taking part in a fantastic 'Bartered Bride' Opera Workshop provided by Garsington Opera. They had the opportunity to learn several new skills, including plate spinning and hula hooping, as well as developing their performance skills. Thank you to Garsington Opera for running this wonderful workshop!

Trip to Harry Potter Studios

Our 'Behind the Scenes' block group went on a special trip to the Harry Potter Studios Tour on Thursday. The students planned the logistics of the visit themselves and loved learning about the work that goes on behind the scenes of the films. It certainly was a magical trip!
