

WEEKLY BULLETIN

★ GOOD NEWS ★

Welcome.....and Welcome back!

On Tuesday all our lovely year 7's joined us for their first day of secondary school. What a brilliant bunch they are. After spending some time with their new pastoral tutors they got stuck straight into lessons and have been focused and smiling all week.

The rest of the school joined them on Wednesday and have settled quickly back into the school routines. Our focus for this week has been 100% - using the team around us, (our friends and our teachers), to make sure we try 100% all the time.

Uniform

The girls are looking very smart in their new uniform. Just a few reminders!

SHOES - No canvas trainers.

EAR-RINGS - One single stud in each ear. ONLY Y10, 11 and post 16 students. No tape!

BLAZERS - Students do NOT have to wear blazers. They look super smart but not great in the hot weather so feel free to wait until it turns cooler.

Army Day

Post 16 had a very exciting day on Thursday when the Army Outreach Team came to visit. They had an action-packed day of team building activities which will help them to get to know each other as a group.
